**22-Jun-2013-19-Jun-2007**

Kirby Patrick, beloved child of his parents, was called to rest on June 22, 2013, a brief but courageous battle with illness. Born on June 19, 2007, Kirby touched the lives of all who knew him in his short time on this Earth.

Despite facing challenges from the very beginning, Kirby's spirit remained resilient. He taught us the true meaning of strength, facing each day with a bravery that was beyond his years. His infectious laughter and bright smile brought joy to those around him, leaving an indelible mark on their hearts.

In his free time, Kirby enjoyed exploring the world around him. Whether it was taking walks in nature, playing games with his loved ones, or simply spending time with his family, he found joy in the simple pleasures of life. Kirby's curiosity and sense of wonder were contagious, inspiring all those who had the privilege of knowing him.

Although Kirby's time with us was tragically short, his impact will continue to resonate in the hearts of those he leaves behind. Let us cherish the memories we shared and honor Kirby's legacy by emulating his kindness, strength, and love for life.

Kirby Patrick is survived by his parents, who treasured every moment they had with him. He will be dearly missed by his extended family and friends, who were touched by his light and spirit.
